

Congratulations to Kurt Youngs #747 and the rest of the Desert Creations crew and Solo Motorsports for their win in Class 7s during the M.O.R.E. Holiday Toys for Tots 200 race held in Barstow on 12/6/2008. Kurt captured the Class 7s championship for the 2008 season with this victory. Kurt is the Sales Manager for TOTAL CHAOS and brings a tremendous amount of hands on experience to our TEAM. Youngs started the season's final race at the Holiday 200 race determined to stay up front to maintain his 2 point lead over the rest of field and his close competitor "the kid". The whole race co driver Bobby Mante called out over the radio concerned about "the kids" location as he chased Youngs in the overall points championship. What Kurt didn't expect in the final race was to have a flawless run and get zero flats on his Good Year Silent Armor tires as well as have no transmission problems or drive train issues. This allowed him to maintain a steady pace out front from the beginning to the end and capture the Championship in MORE Class 7S. The Toys for Tots race was a great year end race for Youngs, who had no season DNF's the entire series and drove every mile of every MORE race. Kurt finished on the podium in every MORE race against a field of 21 competitors during the 2008 race season. TC salutes Kurt and his dedicated crew for their accomplishments!

Everyone here at TOTAL CHAOS, as well as DEAVER Leaf Springs, Kartek Off-Road, Good Year Tires, Desert Creations, Solo Motorsports, ICON Vehicle Dynamics, Hannemann Fiberglass, FOX Shocks & TOYOTA Motor Sports congratulates Kurt Youngs for a 2008 season of a lifetime.
